“Love Jesus, Love Learning, Love Life”

A message from Mrs Thorpe to all our families...

This week has been packed with World Book Day, school visits, Dance workshops, national girls' football day, inter-school football games and so much more. I'd like to highlight the amazing activities and fun of yesterday as we enjoyed World Book Day with millions of other children around the world. The character spoons, colourful clothing and reading activities of the day have all reinforced our love of literature and brought the magical world of books alive once again for so many. Thank you to everyone for engaging and supporting in so many different ways. Please see our photos on Twitter!

OUR ROAD markings

are now in place outside of the school site. This is the first part of our plan to improve road safety around our site. Please help by not stopping on the yellow lines and not mounting the curb along Rossall Grove. Thank you

One of our infant children, Nell, is taking in part in a fantastic fundraising event to support the tremendous work of Alder Hey Children's hospital. This is a charity close to Nell's family, and close to us as a school. We support Nell and wish her well in her 50km Activity; if anyone would like to contribute or know more about this, please pop into the school office. Good Luck—you're a little superstar!

YEAR 6 had a wonderful visit to the Philharmonic Hall in Liverpool this week to experience a full orchestra concert. It was a fantastic performance and a real memory making opportunity for everyone. **YEAR 3**

also had a great day to Deva, learning about our local heritage of Roman Chester. The children enjoyed the Roman Soldier march and exploring the historical sites of our local city. As always, the behaviour of our children was exemplary and members of the public commented on our smart uniform and good manner. **YEAR 5** also had a GREAT time at the Science Technology and Engineering Festival this week, learning about Cyber-security, Space and more!
