"Love Jesus, Love Learning, Love Life"

A message from Mrs Thorpe to all our families...

Happy Easter to all our families and welcome back to a busy summer term! The Easter season is such a wonderful time of year celebrating new life and the joy of the resurrected Jesus, the season of Easter lasts for 50 days—until the Feast of Pentecost on The colour of this season is gold or white and you will see this colour on our prayer tables and in our churches for the next 50 days, reminding us of the joy and happiness of this special time. We've had a busy start to the new term with "My Happy Mind" filming in our school this week—please do look at some of the parent resources available for you through My Happy Mind, they are incredibly supportive and easily accessible on the parent app.

WELL DONE... to our Basketball team who represented our school so well at the Inter-school tournament this week, you were GREAT!
