

St. Mary of the Angels' Home-School Partnership

Child's name:

St. Mary of the Angels is committed to:-

- *Encouraging and nurturing every child, in line with our aims and objectives.*
- *Achieving the highest standards possible, for every child in our care.*
- *Communicating very closely with parents and families.*
- *Working in partnership with you, at all times.*
- *Making sure that every child is safe, happy and thriving.*

The school believes strongly that the contribution of the parents and the family is crucial to every child. The school needs every parent's commitment to:-

- *Share the same spiritual and educational objectives of the school and fostering them in the home.*
- *Ensure that children have a good night's sleep, arrive punctually and are dressed in our school uniform.*
- *Provide time and space in the home to read, do homework, listen, help and encourage your child(ren).*
- *Participate as much as possible in the school's life e.g., make sure that a family member attends every parent teacher meeting.*
- *Work with the school to ensure positive learning behaviour & excellent attendance for every child.*

Please sign below to show a shared commitment to these important aims.

This information will only be used for the purpose outlined above. It will not be shared with any third party.
