

Online Payments Module

Benefits of our Online Payments Module

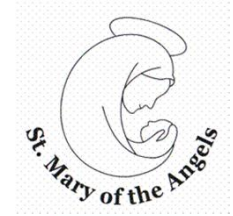

- “ **Parents** can use it to pay funds to the school when they wish (i.e. 24/7) using a credit or debit card.
- “ Each online payment can cover multiple items and multiple family members at the school.
- “ The transactions are secure (we use one of the biggest Banks and the largest credit card processing service).
- “ Funds from parents are available to use at the school the next school day or sooner.
- “ Money arrives at the school bank within 3 business days of the parent making the payment.

How the system works...

- " First, parents go to the school web site.
- " There they click on a link to pay online.
- " That directs them to the Tucasi Online Payments site which is branded with the school name.
- " The parent logs in and selects which items to pay for.
- " Once the online basket is complete, the parent confirms the order. They are then automatically redirected to a Bank or LA payment site to enter their card details.
- " Once their card payment is validated the parent is automatically returned to the Tucasi Online Payments site to view the order confirmation.
- " All completed transactions are automatically sent to the Schools Cash Office system at the school.
- " Parents can also view transactions related to their child made online or in the school.
